LetzCook, Golf & Spa Ireland 2022

The perfect Food, Golf and Spa experience with zero planning on your part.

Imagine a day on the course with some of the best views in the world and then relaxing in a saltwater pool. Rejuvenate on vacation while eating some of the best cuisine in Ireland. Start from West Cork to Kerry via the scenic Wild Atlantic Way & experience it all through Food, Golf & Spa. Travel to Ireland to golf without packing clubs. We've got them. All you do is show up, eat, drink, golf and relax. Spoil yourself.

Do what the locals do, that's how I travel and find the "best of the best" for these trips. Over the last few years, I've sold out travel experiences centered around food throughout Italy and Ireland. The latest adventure in Ireland includes great meals, paired with three top rated golf courses, combined with a spa experience to remember. Just show up hungry, ready to golf and prepare to be spoiled. Don't Golf? Don't worry. The culinary experience; spa and local flair are not to be missed.
